Col de Chaumiane by bike

Serres - Bâtie-Montsaléon

La Bâtie-Montsaléon (CCSB)

This easy, short cycling loop winds its way around La Bâtie-Montsaléon, a small village that now stands on the site of a once-important Gallo-Roman town. The site has been excavated several times and identified as one of the most significant along the Roman road connecting Milan to Arles.

Itinerary n°6

Useful information

Practice : Cycling

Duration : 1 h

Length : 10.4 km

Trek ascent : 141 m

Difficulty : Very easy
