

Les Bouissettes by mountain bike

Orpierre - Orpierre

Village d'Orpierre (CCSB)

Les Bouissettes is a very short trail perfect for families. It winds through the pine trees across from the village of Orpierre and offers a lovely view of the village and its cliffs, which are well-known for rock climbing. It's a bit of an uphill climb, but it's worth the effort... A short trail awaits you on the way down! The rest of the route is mostly on roads. Follow the green mountain bike trail marker No. 12

Taking its source at the top of the mountain of Chamouse, the Ceans crosses all the Orpierois-district before flowing into the Buëch at the level of Garde-Colombe. Over 22 km long, the torrent partly follows the route of the Princes of Orange.
