

Lavandes et vergers - Lavender fields and orchards by bike

Orpierre - Orpierre

Passage dans les lavandes (CCSB)

This short 15-km bike ride winds through the lavender fields and orchards. The best time to take it is from mid-June to mid-August, when the lavender fields are in full bloom. Around Nossage, many hectares of land are used to grow fine lavender and lavandin. An exhilarating getaway awaits cyclists, with purple as far as the eye can see.
